

Important information for pilots

General Declaration online

The external borders of the Schengen Area may be crossed only (inbound and outbound) at the official Belgian Border Crossing Points :

EBAW EBBR EBCI EBKT EBLG EBOS

Additionally, a General Declaration is a mandatory immigration document for General Aviation flights.

Belgian border guards of the Federal Police require a General Declaration in advance, prior to take-off, using an online system that is available at www.generaldeclaration.be.

Please remember the aircraft commander has a legal responsibility for all persons on board.
